

St Aldhelm Lodge No. 1531

Over the last 12 months the Lodge has averaged 28 of its own brethren present at each of our four regular meetings prior to this date, this is roughly 70% of the membership. We have on average 9 visitors at each of our meetings, with a peak of 14 at the Installation meeting in November, which saw W Bro Ken Lever become Master. Our meeting attendance has remained stable year on year and we appreciate the support of visiting brethren.

We have had three Advancees, two deaths (Bros Kevin Logan and Colin Robertson) and two resignation over the year. Our current membership stands at 39 which is much the same as this date last year.

Our charitable donations totaled £1900 comprising of £500 to the Mark Benevolent Fund, £400 to Prospect Hospice, £300 to the Malmesbury Branch of Parkinson's UK, £300 to Hope For Tomorrow, £200 to Uplands Educational Trust and £200 to Loganberry Trust.

Finally, we are delighted that W Bro David Clarke has received a first appointment to Mark Grand Rank as PAGDC, and W Bro Chris Matthews has received promotion to PGSD.
