

Wiltshire Downs Lodge of MMM No 1843
Report as at 1st May 2017

W. Bro. Ian Gibson was installed as our fourteenth W.M in March by W. Bro Michael James in fine manner in the presence of many distinguished brethren.

Our second Ladies to Dine Meeting in September 2016 was a great success with every one enjoying the lecture on Concord, the festive board was excellent as usual. So much so it is to be an annual event.

Or membership remains critical but we are able to fill most of our Offices and thanks to the support from Province and other lodges all our meetings are well attended.

It is still the wish of our new W.M. and all the Members of the Wiltshire Downs Lodge of MMM No 1843 that if no candidates for Advancement are forthcoming we should concentrate on providing excellent Papers/ Lectures for the Members and our Visitors, as well as excellent food at a very competitive price thanks to the Warminster Masonic Hall Trustees and good companionship.

I can assure you we achieve all this in ample form.
