

Warminster Report dated 2nd June 2017

The Lodge has again enjoyed a good year with W.Bro James Lowe as WCN at whose Installation Meeting in November we entertained 15 guests and included W.Bro Bob Blake **RAMGR** our Deputy Provincial Grand Master and W.Bro Ian D Gibson together with many members of the Provincial team. It was an extremely memorable evening.

At our February Meeting we had the great pleasure of Elevating Bro Neal Evans into our Lodge and this Beautiful Degree at which meeting we were joined by W.Bro Bob Blake **RAMGR** together with our Provincial Grand Secretary W.Bro Ian D Gibson and 6 other visitors.

Our April meeting included a Talk entitled `Noahs Grandfather` which was written by W.Bro Arthur Lawrence and was presented by W.Bro Fripp Easthope which was very well received by all the Mariners present. We have elected W.Bro Tony Guthrie as Worshipful Commander Noah for the ensuing year and are looking forward to our November Installation meeting and another happy and successful year in which we hope to carry out at least one Ceremony of Elevation.
