

## **Reginald W. Short Installed Commanders**

### **No. 1460**

The lodge has enjoyed another successful year and is financially sound. Having said that the cost of meals will have to be increased owing to increases by the Caterers and to help in covering the costs of entertaining Commanders and Scribes from other Provinces. Subscriptions will also have to be increased this year to cover rises in other costs.

At our May meeting W. Brother Peter Hanfrey was installed as Commander and we welcomed W. Brother Keith Harvey as a Joining Member. The Lodge also honoured W. Brothers Wally Simmons and John Northover by making them Honorary Members.

At our December meeting we welcomed three new Joining Members, W. Brothers David Clarke, Roger Prince and Chris Mathews. We also received a talk from Brother Peter Davies entitled 'The Pusser and His Men'.

The Scribe has represented the Lodge by visiting a number of Installed Commanders Lodges in other Provinces.

Attendance continues at a good level.

The year was tinged with sadness at the passing to the Grand Lodge above of W. Brother Wally Simmons.
